

# HEAVY METAL REMOVAL RESIN

## Product Specification

 HEAVY METAL REMOVAL RESIN

 100°C

 [sfwt.eu/srhm](http://sfwt.eu/srhm)

## Ordering Details

Product Code	Product Code	Measure (litres)	Pallet Quantity
SRHM	RESIN	25L	PALLET
SRHM	—	RESIN	—
		25L	—
			PALLET

e.g. SRHM-RESIN-25L-PALLET

Packaging	1 bag	1 pallet
	21kg	42 bags at 882kg

## Features & Information

- The SPECTRUM SRHM has excellent selectivity for heavy metal and the uptake of alkaline metals in a relatively short contact time
- Excellent resistance to mechanical degradation ensures low pressure drop
- Meets European Council Resolution AP (2004) 3 for use of ion exchange resins in processing of food products, as well as WRAS BS6920 for cold and hot water up to 85°C
- Supplied in polyester double lined valve bags to maximise life
